

DECEMBER ISSUE 2017

BROW4

Bike Run or Walk 4

Hello, as always it's not just about attending events, old and new as you can see below, to raise funds to go to our nominated charities. Our comparatively small committee have regular meetings to discuss and plan which future events we should attend, arranging for new stock for our stall, new ideas of how we can make more impact with the public and so on.

Saturday 9th December 2018
Spring Common Academy Christmas Fair

We have never been to this venue before so was rather excited to being invited there by Jim Tyrrell who I know from BROW4's first Bike Run or Walk for Magpas way back in 2015. Jim is a teaching assistant for ASC Provision and was also the organiser of the amazing event. Building work is in progress to help make this school bigger and better for the special children who attend this school.

Father Christmas was on hand in his own little house that the elves helped make. It was nice and cosy for him and the children who went to see him.

Stalls galore were at this venue, which was

supported greatly by families and friends of this special school.

Spring Common Academy will be using all the profits made at this event, to buy new outdoor equipment for all the 3-19 year old children with special needs who attend this specialised school in Huntingdon for their playground.

DECEMBER ISSUE 2017

On Saturday 16th December the volunteers of BRoW4 went to the Wonderland Catwalk Show in Peterborough. The lovely Abigail Mackman showed us around the hall which has two rooms.

The main room was being used as the fashion cat walk with fashion accessory stalls around the edge, there was even a glimpse of some of the up and coming designs of fashion from the designers that could be looked at before they went on the cat walk. Some amazing outfits were displayed throughout the day.

We were lucky to be in the room where the photographer took photos of the after walk.

Both the volunteers have never been to a fashion show before but were made to feel very welcome by the fellow cameramen, the models and also the two lovely ladies who organised this event.

Cromwell Care Home
Huntingdon

The wonderful Ben Hazelden was the organiser of the Christmas fair In the magnificent house where Oliver Cromwell was born. This historical house dates back to 1599.

The residents of this home plus the families and friends came and made visits to the stalls that had everything they could want for that last minute Christmas present.

Cakes were made by the wonderful Rachel Hobbs, and went down very nicely thank you very much. Father Christmas came and said hello to all the children that came and also said hello to all the stall holders.

A wonderful day was had and thank you for inviting BRoW4 to your event

UPCOMING EVENTS

Want to meet us? Come along and support us in the following places:

JANUARY 2018:

- Sunday January 7th 2018 - A guided 2 mile walk with or without a dog around Hinchingsbrooke Country Park, Huntingdon. Within the Countryside Hall there will be a variety of stalls for everyone to come and have a look around plus a face painter and 'hoop the duck'. Refreshments will be available to those that register.
