

BROW4

Bike Run or Walk 4

BROW4 have been making the most of the last few hot summer days this last month – hard to believe that it's suddenly so chilly!

Sunday the 26th August was the day of Little Gransden's Air Show, and unfortunately one of the few rainy days of the summer, but that didn't stop BROW4 from having

fun. Some fantastic aircraft were put through their paces in the skies, and many vintage vehicles and planes were on display on the ground too, including this rather unusual one!

The last Wednesday of August, BROW4 once again provided refreshments for the Craft Market at All Saints Church,

Huntingdon, and enjoyed looking at the multitude of skills that the local community has. There was all sorts of items available to buy, including these fridge magnets, all made by hand. Please do pop in and see for yourself what the crafty people of Huntingdon make, and treat yourself to one of Anna's delicious cakes while you're there!

On Sunday 2nd September, BROW4 attended the very popular Coneygear Gala. There was something there to

keep everyone entertained, including a petting zoo and craft activities for the children, as well as stalls and bouncy castles. We did catch this adult having a go at the craft too, proving you're never too old to have fun!

The following Sunday, BROW4 attended the Haddenham Steam Rally. There were lots of lovely steam engines there that had been polished until they shone, and some

beautiful examples of entertainment from a bygone era. There was also some beautiful shire horses on show, and of course many stalls for people to enjoy.

SEPTEMBER ISSUE 2018

Just about everyone shops online these days, so please help BRoW4 by using easyfundraising. It won't cost you a penny, but by shopping via this website BRoW4 receives donations from large retailers such as Amazon. Register using the link below.

Saturday 29th September is the day of BRoW4 and Dive In's second annual Family Fun Day and Underwater Challenge to raise money for the RNLI. There will be a variety of stalls there, bouncy castles for the children, and plenty of food and drink available.

If you want to learn how to scuba dive, then do come along and speak to the lovely Pauline to find out more, and if you can scuba dive but haven't yet registered to take part in the underwater challenge, you can download the registration form on the home page of our website.
